Note for description of the form to apply Unified-ID(UTID-13)

This application is for issuing the University of Tsukuba Unified Authentication ID (UTID-13). After obtaining the UTID-13, please proceed to register for an account on the University of Tsukuba Center for Computational Sciences (CCS) Supercomputer System via the separate account registration webform.
If you already have both a UTID-13 and an account, resubmission is not required.

Note for Application

1.Identification	<u>Attach a copy of your identification card or paper</u> which certificate your affiliation and title or position. (ex. ID-card issued by your organization)
2.Name	Please write your name in clear block letters, so that it can be easily read by others.
3.Signature	Please write your name by hand.
4.Affiliation & Role	Please enter your role or academic level (e.g., Professor, Researcher, 2nd year Master's/PhD student).
5.Mailing Address (Laboratory Address preferred)	Mailing address which is reachable to the applicant and e-mail address. We recommend using an official address, such as your laboratory address and room number, rather than your home address.
6.Official Email (issued to you)	An institutional email address is preferred. However, if none is available, a free email address may be accepted.
7.CCS-SC account	If you have previously used the supercomputer at the University of Tsukuba, please provide your existing account name (CCS-SC account name). In principle, once issued, your account name and Unified Authentication ID (UTID-13) will remain valid.
8. How to receive the ID & password	You may choose to receive the notification either by email issued by your affiliated institution or by postal mail. Even if you select email, the password will not be included directly in the email body. Instead, the notification file will be made available on a secured online storage system provided by the University of Tsukuba, and you will receive instructions on how to access it.

Submission method:
Please submit the application form along with a copy of your identification either by postal mail or as a PDF file.

By postal mail:
  Technical Officer
  Center for Computational Sciences, University of Tsukuba
  1-1-1, Tennodai, Tsukubashi, Ibaraki 305-8577 Japan

By PDF:
  Please submit your documents using a secure method with appropriate access restrictions in accordance with your organization's policies.If you are unable to provide a secure method, please feel free to consult with us.

Unified-ID(UTID-13) Application Form

To Director of Center for Computational Sciences, University of Tsukuba

I like to apply the issuing the unified-ID(UTID-13) to make an account on CCS Supercomputer systems.

I will declare that I will respect and keep the rules on utilization of these systems.

＊ A copy of your identifier (ID card or paper) should be presented with this form.

DATE YYYY/MM/DD:

User

NAME (in Block type):	
Signature	
Affiliation & Role	
Mailing Address (Laboratory Address preferred)	Tel:
Official Email (issued to you)	
CCS-SC account	☐ Don't have ☐ Have CCS-SC Account name[ ]
How to receive the ID & password	☐ Postal Mail ☐ Email
Who is the Project Leader	☐ Shown below ☐ Myself

Project Leader (Project leader of MCRP20XX or general-use project approved by our Center.)

Signature	

＊ Please submit the application form using a secure method.

Keep blank for the rest of this form

The above application is hereby approved.
