

## Note for description of the form to apply Unified-ID(UTID-13)

**After you are provided your unique Unified-ID(UTID-13) of University of Tsukuba, please proceed to get an actual user account of CCS Supercomputer systems. Please remind that Unified-ID(UTID-13) and its associated password ARE NOT THE USER-ID NOR PASSWORD of these systems.**

CAUTION: This form is NOT for issuing the actual account of CCS Supercomputer System. By this application, you will get the Unified-ID(UTID-13) of University of Tsukuba, which certifies your personal identity. After you get the Unified-ID(UTID-13), you can proceed to apply the real account of these systems by accessing the following web site.

### Note for Application

Use a ball-point pen or ink, and specify the date when you make this application.

- 1. Identification**      Attach a copy of your identification card or paper which certifies your affiliation and title or position. (ex. ID-card issued by your organization)
- 2. Name**                Describe your name in block type with your hand-writing.
- 3. Address and E-mail**    Mailing address which is reachable to the applicant and e-mail address. If you select the way that receive the acceptance notification by E-mail, we announce how to receive the initial password.
- 4. Representative Researcher**      The application must meet with the representative researcher of your project, who is responsible to your account issuing, and he must sign to this field by himself. If the application is the representative researcher himself, keep this field blank.

Send the form filling all required fields to "Technical Staffs of Center for Computational Sciences, University of Tsukuba". The technical staffs issue the Unified-ID(UTID-13) and password after confirmation of the form. The postal address is as follows:

Technical Staffs for Supercomputer Resources  
Center for Computational Sciences, University of Tsukuba  
1-1-1, Tennodai, Tsukubashi  
Ibaraki 305-8577 Japan

# Unified-ID(UTID-13) Application Form

To Director of Center for Computational Sciences, University of Tsukuba

I like to apply the issuing the unified-ID(UTID-13) to make an account on CCS Supercomputer systems.

I will declare that I will respect and keep the rules on utilization of these systems.

\* A copy of your identifier (card or paper) should be presented with this form.

DATE YYYY/MM/DD:

User	
NAME (in Block type):	
Signature	
Affiliation & Title	
Address & Phones	
E-mail	<div style="display: flex; justify-content: space-between;"> <span>Tel:</span> <span>Fax:</span> </div>
How to receive the ID & password	<input type="checkbox"/> E-mail <input type="checkbox"/> Postal Mail
Who is the Project Leader	<input type="checkbox"/> Shown below <input type="checkbox"/> Myself
-----	
Project Leader *2	
Signature	

\*1 If you are not an employee of U. Tsukuba, don't fill i.      \*2 Project Leader authorized by Center for Computational Sciences, U. Tsukuba

Keep blank for the rest of this form
